Walt  Disney World

Casual Temporary employees at Walt Disney World will receive a 10¢ wage increase on their anniversary date each year provided that they successfully complete the requirements to qualify for the increase.

To qualify for the wage increase, the Casual Temporary employee must:

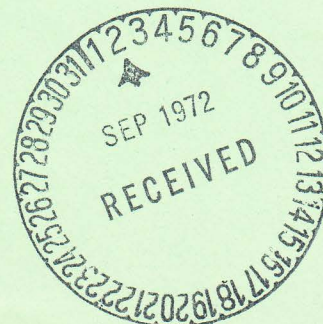

1. Be available for summer employment by June 15th of each year, and
2. Successfully complete each summer that he is employed.

To be considered as having successfully completed the summer, the Casual Temporary employee must:

1. Work through Labor Day, or
2. (If a student), work through the week prior to the week he is required to start school (written verification from the school is required), or
3. Be available when no work is available at Walt Disney World.

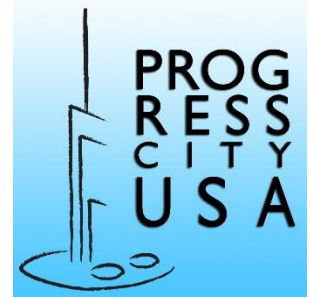

To retain each annual increase, the employee must be available for summer employment by June 15th of the following calendar year.

There will be more information on this annual increase for Casual Temporary employees in future issues of "Eyes and Ears."
